

# garbled land

Unconditional neo-reactor,

democracy is not only criticized, but also criticized.

In the process, he approached the final procedure. The underground flow.

Anti-politics is dark and uniform lighting.

DO NOT PUBLICLY EXPRESS ROUSSEAU'S EARLY ENTHUSIASM.

In any case, the public awakened politically is an irrational and reactive audience,  
democratic dynamics are inferior.

Private sins, hatred, and faults are systematically strengthened and strengthened.

And strengthened and strengthened.

Collective crime and social crime. Corruption Democratic politicians and voters,  
cycle of reciprocal stimulation, excite others -

And end table eating until the only way to cry is to eat.
